

MY PARENTS AND I WILL BE LEAVING MELBOURNE FOR GOOD SOON.

I DON'T WANT TO THINK ABOUT IT.

BEFORE WE LEAVE THE SOUTHERN HEMISPHERE, WE ARE GOING TO DO SOMETHING MY DAD HAS ALWAYS WANTED TO DO.

'AT LAST I WILL FULFIL ONE OF MY MOST PRECIOUS DREAMS AND LONGEST HELD AMBITIONS,' HE SAYS, WHICH MAKES MY MUM AND ME GIGGLE.

WE ARE GOING ON A SCIENTIFIC EXPEDITION BOAT TO ANTARCTICA.

WE WILL LEAVE FROM NEW ZEALAND.

THE TRIP WILL TAKE A LONG TIME –

I'M NOT EVEN SURE HOW LONG IT WILL TAKE...
