

# CREATIVE WRITING HOMEWORK

For Bethany. By Alice Field.

Once upon a time there  
was a person called  
Brad. He is a friend of  
a person called Alice

No one, apart from  
Alice, can see Brad.  
Brad mostly lives  
inside Alice's player.

Sometimes Brad gets  
left behind when Alice  
travels with her family.

Brad stays behind in  
Melbourne, along with the  
next door neighbours'  
dog, Tilly.
