

ALICE IN AUSTRALIA **HOMEWORK #3**

He gets out his skateboard.

He attaches Tilly's leash to her collar and he shouts,

"GO TILLY".

She starts to run, she gets faster and faster, until Brad no longer needs to push: Tilly has become his own personal engine!

She runs through the neighbourhood and all the way to the beach, pulling Brad behind her.

They go so fast they're just a blur of colour to the people they pass by - Tilly's golden fur, and Brad's red t-shirt.
